## ENTRY FORM

---

### This template is a guide for what to include in your entry

You may design and brand the entry and its layout however you like. It is worth noting, however, that judges often prefer entries where text and images are well-balanced on each page, as this makes them more engaging and easier to read.

Once your entry is complete, please upload it as a single PDF document (up to 10MB, 20 pages), including any supporting materials and URLs to the website.

If you are entering one project into multiple categories, ensure you tailor your entry to fit each category.

On the cover page of each entry, please include the details shown on the right to ensure the judges can clearly identify the category you are entering and the client associated with the entry.

### **NB**

The names provided on your submission will be used on all written references – the shortlist, winners book, trophies etc.

Please check spelling, capitalization and any punctuation are all correct.

# ENTRY CHECKLIST

## ENTRY SUMMARY

---

**Your entry summary is used to brief the judges**

It should be a concise 300 word synopsis of your work, the category entered and why.

Your summary should include:

**01**

---

The project's relevance to the category\* it is being entered into.

**02**

---

Budget if possible - this is optional, but judges have found it useful in previous programs to determine the scale of the project.

### **NB**

---

\*If you feel your work is a perfect candidate and strong contender for more than one category, the summary should be tailored accordingly.

# ENTRY CHECKLIST

## ENTRY STATEMENT

---

**The most successful entries to the Transform Awards present a clear and compelling narrative**

Your entry should clearly tell your story with details of why the brand work was needed, how the strategy was developed and implemented and how the results fit the initial objectives.

Your entry statement should be written in 800 words or less.

Entries for the creative categories should include details, analysis or background on how the visual components of the work were developed and why they were used. Entries for the strategic-led categories should focus on the communication aspects of the brand and how these were effectively executed.

On the next page we have listed some points on how to expand on each area.

# ENTRY CHECKLIST

## ENTRY STATEMENT

---

### How to make your entry statement successful

## INDUSTRY CONTEXT

---

We advise that your entry statement should cover the following sections:

Describe the market or industry context and where your brand/organization fits into the given environment. This helps the judges put the work into context.

## CHALLENGES

---

Setting out the challenges and objectives for the judges helps them understand the way the project developed.

- What prompted the work?
- What brief and criteria did it need to fill?
- What other factors and issues led to the project?
- What were the objectives for the project?
- What did you want to achieve from the development of the brand?

## STRATEGY

---

Explaining the strategy helps the judges understand how the project and brand were developed. The narrative for your strategy should link to your brand's objectives and goals.

- What is the target audience?
- Where did the idea/concept come from?
- What research did you conduct and incorporate?
- What led to the design approach?
- Were there any unforeseen problems?
- If so, how did you overcome them?
- How did you implement the strategy?

## CREATIVITY & INNOVATION

---

Explain how the work met or exceeded the client's expectations.

- Did it trigger a reaction from/ connection to the target audience?
- Was the work comprehensive – did it work across all the relevant platforms?
- Did it display innovation and originality in its looks and feel, tone of voice, or method of distribution?

## RESULTS

---

Indicate how the results met the business objectives.

- What was the outcome?
- Did you achieve what you set out to?
- Did you exceed expectations?

Results can be quantitative or qualitative. Where relevant, judges find the ROI on the work useful.

---

# FAQs

BEST VISUAL IDENTITY FROM THE FMCG, FOOD AND BEVERAGE SECTOR  
**GOLD**

## FAQs

---

**What is the time frame for eligible work? Can I enter work from last year?**

The time frame for eligible work is ordinarily 18 months previous to the final deadline. Please refer to the eligibility and rules section on the Transform magazine website for more details and specific dates.

---

**The project I am entering was completed in-house. Can I still enter?**

Yes.

---

**My client is based outside of the awards region. Am I still eligible to participate?**

Yes – providing you have an office or are based in the region in which the awards is being held, the location of the project's focus can be anywhere in the world.

---

**Can I enter more than one category? If so, do I need to submit more than one PDF?**

There is no limit to the number of categories that can be entered. If multiple categories are being entered, multiple PDFs must be submitted. As our entry form only allows one PDF to be entered at a time, you will need to go back and resubmit the form, making sure to change the category field. Although not compulsory, we strongly recommend tailoring each submission according to the category being entered.

---

**I'm not sure which category to enter. How shall I decide?**

If you are struggling to categorise your project, please contact the events team on +44 (0)20 3950 5356, or email Gemma at [gcadden@transformmagazine.net](mailto:gcadden@transformmagazine.net) or Becky at [bstratton@transformmagazine.net](mailto:bstratton@transformmagazine.net)

---

**How can I ensure that budgets disclosed on the entry will remain confidential?**

Don't worry – as long as you clearly mark the entry where relevant letting us know that you do not wish information on certain budgets (or any other information) to be shared, we will ensure that all such information is kept strictly confidential.

---

**Is it ok if the word count is exceeded?**

The word count is set as a guide – exceeding it slightly will not be penalized. However, considering the volume of material read by the judges, a more concise and collected approach to ensure your entry stands out is advised.

---

**How should I include my supporting materials?**

All supporting materials should be included within the document. If you wish to include videos, please add a hyperlink to it in your PDF entry, rather than embedding the video itself. Embedded videos can often increase the size of your entry so that it is over the 10MB limit. Besides the supporting materials included within your PDF entry, no other separate materials are required.

# FAQs

---

## **Can I only include images in the supporting materials section?**

Your submission can be designed and branded as you wish. Previous submissions have included imagery alongside the entry summary and statement to add to the entry narrative. At the end of the entry, further imagery can be included in the supporting materials section to showcase the project. We ask that you limit the pages of images, as our judges have a large number of submissions to go through, so be concise, clear and make sure what you are sharing is relevant.

---

## **On the 'Enter Now' section of the website, what is the difference between the fields 'company' and 'entering company?'**

Often, agencies enter their clients into our awards (i.e. company = agency, entering company = client). If this does not apply to you and you are entering independently, simply fill in both fields with your company name.

---

## **Can previous entries be sent to potential entrants?**

As per our rules section on the Transform magazine website, we cannot send out previous entries as they may contain sensitive and/or confidential material and figures that cannot be disclosed.

---

## **Is there a cost to enter?**

Yes. Rates are available on the Fees and payments page on the Transform magazine website. There are also discount rates available for charities and early entry discount for those who enter before a certain date.

---

## **Why won't my entry send?**

If you are receiving an error message telling you that supporting materials are required, perhaps you have exceeded the 10MB, 20 pages size limit or your file is not a PDF. If your entry is within the size limit but you are still receiving that error message, contact our office on +44 (0)20 3950 5356.

---

## **How do I pay for my entries?**

After you submit your entry, you will be prompted to pay via PayPal (owning an account is not necessary to complete payment).

If an alternative payment method is preferred, please contact our office on +44 (0)20 3950 5356 and one of our team can explain other payment options.

---

## **I want to enter more entries at a later date, how do I get the reduced entry cost?**

Entries submitted at a later date are charged at the additional entry cost, however, please note that our payment gateway will not bring up this rate. Please call the team on +44 (0)20 3950 5356 to pay by card over the phone (we do not accept AMEX over the phone) or let us know if you would like to be invoiced.
